

SPECIAL ADDITION

7 DEC - 11 DEC 2024

CENOTE CRAZE

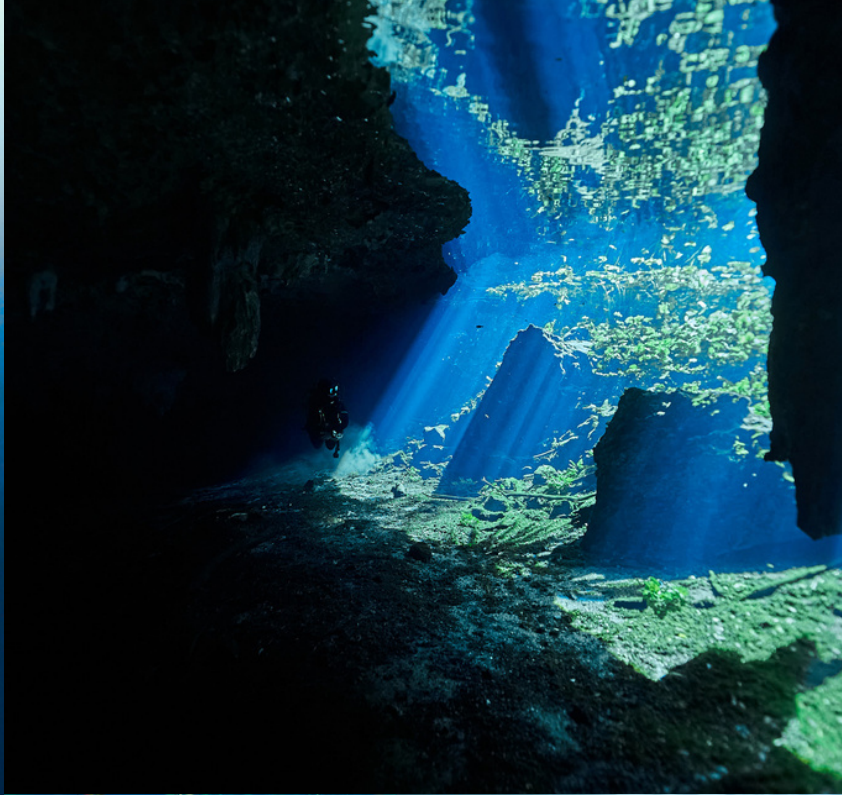

4 day intensive for the more experienced divers!

We will explore the more famous and popular area around Tulum, heading to the most unique and exceptional cenotes.

Advanced Open Water certification is required for exploring the more exciting cenotes. Experience sulphur clouds, cenote caverns, light rays, stalactites, fresh-salt water changes, gorgeous underwater vegetation, unique fishlife, tunnels and more.

Freedive the most magical cenotes and lagoons, explore the swim-throughs and caverns with a torch light, and experience the secret reveal in the waters of Kaan Luum.

Enter a new world under the caverns of Tulum.
